Purpose

The Compensation and Talent Committee (the “Committee”) will assist the Board of Directors (the “Board”) in fulfilling its responsibilities related to compensation, and oversight of talent management, training and development. The Committee will (i) report to the Board on matters concerning the Company’s compensation philosophy and strategy, (ii) oversee the Company’s general compensation plans including its executive compensation plans and equity-based plans, and (iii) assist the Board in fulfilling its responsibilities regarding the design, establishment, and termination of employee benefit plans and practices subject to the Employee Retirement Income Security Act of 1974, as amended. The Committee also will perform such duties and responsibilities as may be assigned to it under the terms of the Company’s general compensation and employee benefit plans.

Membership

The Committee will be composed of three or more Directors appointed by the Board, each of whom will meet the New York Stock Exchange (the “NYSE”) standards of “independence” for directors and compensation committee members and any other applicable standards as determined by the Board in its business judgment. Additionally, members of the Committee are intended to qualify as “non-employee directors” for purposes of Rule 16b-3 of the Securities Exchange Act of 1934 (the “Act”), as amended. One member of the Committee will be appointed by the Board as Chair of the Committee. Notwithstanding the foregoing, if it is determined that a director failed to satisfy any of these standards at the time the Committee approved any action, that fact shall nonetheless not invalidate the action unless required by law or unless the remaining members of the Committee determine that satisfaction of such standard was necessary to achieve the fundamental purpose of the action.

Meetings and Procedures

The Committee will meet at least three times each year. Meetings will be conducted in accordance with applicable provisions of the Utah Revised Business Corporation Act and, in the conduct of its affairs, the Committee will be subject to the same rules and procedures as apply to meetings of the Board as set forth from time to time in the By-Laws of the Company. The Committee will keep written minutes of its meetings, which minutes will be maintained with the books and records of the Company. The Committee will provide the Board regular reports of its activities.

Subcommittees

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate; provided, however, that no subcommittee will consist of fewer than two members. The Committee will not delegate to a subcommittee any power or authority required by any law, regulation or listing standards to be exercised by the Committee as a whole.

## Outside Advisors

The Committee will have the authority, in its sole discretion, to retain such outside advisors as it deems appropriate to assist it in the performance of its functions and responsibilities, including the sole authority to retain or obtain the advice of, compensation consultants, legal counsel or other advisors. The Committee will receive appropriate funding, as determined by the Committee, from the Company for payment of administrative expenses of the Committee and compensation to any consultants, counsel or other advisors. Before retaining or obtaining the advice of any outside advisors or consultants, the Committee will consider all factors relevant to the independence of any advisor or consultant, including the factors specified by Rule 10C-1(b)(4) of the Act, as amended, and applicable NYSE listing standards. The Committee has the power to investigate any matter brought to its attention within the scope of the Committee's responsibilities, with full access to all Company books, records, facilities and employees. The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any advisor retained by it.
